

## Oregon

Oregon's offices remain closed to the public. Our staff will be on holiday on Monday January 18<sup>th</sup> to observe Martin Luther King Jr. Day. From Tuesday, January 19<sup>th</sup> through Thursday, January 21<sup>st</sup>, staff are directed to work from home and will not have access to our offices. While this should not affect our process for most types of applications, we will not be able to access criminal background checks through our secure room next week. People applying for a resident license may notice a short delay in the processing of their applications due to the lack of access to the secure room for those three days. We expect to be able to catch up the backlog quickly once we have access to the secure room again.

Thank you,
